Outreach and Communications

Works cohesively with USDA Departmental Outreach Office and APHIS Programs to partner with program and community-based organizations, cooperators, universities and other stakeholders in delivering outreach activities that address the needs of minority-based organizations who provide agricultural-based services to underrepresented communities.

Our services include:

- Expanding communication networks
- Collaborating efforts with other programs within the Agency and discussing their outreach efforts;
- Partnering with Human Resources to plan recruiting efforts;
- Creating an outreach newsletter to provide information to programs and organizations on the services the Agency provides;
- Expanding outreach efforts (cooperative agreements/sponsorships/programs-socially disadvantaged groups); and
- Expanding student internships to underrepresented groups
